

## NBL GOLD RETROFIT KIT

1x4, 2x2, 2x4 Fixtures

### DESCRIPTION:

1x4, 2x2 and 2x4 LED upgrade kit delivering 5000 lumens of enhanced spectrum 80 CR light while achieving over 100 lumens per watt Industry recognized highest quality parts for long life and performance. Lightweight aluminum LED strips with 64 LEOs in the highest quality parts. Magnets hold strips in place for perfect alignment before using self-taping screws.

The NBL kit is designed to retrofit existing 1 x4, 2x2 and 2x4 fixtures to energy saving LED lighting.

The NBL GOLD series of retrofit LED kits comes in 3000k, 4000k, and 5000k color temperatures. It can also replace any fluorescent tube with a quick and easy solution. It is the perfect solution to saving energy and applying for rebate dollars.

#### OPTICAL:
